

Trinity Spirit Week Posters

Trinity Spirit Week is Monday, September 28th—Friday, October 2nd. It's a Trinity tradition to hang posters of the players the Friday prior and they'll hang the entire week. For the past several years, I've created personalized posters of the boys for purchase. At the end of the week, the posters will be returned to you for you to hang at home. I have gone through the pictures I've taken so far and pulled some out into an album that I think would make good posters. I have done this not to limit you at all....just trying to make things easier. You are certainly more than welcome to check out all the pictures and if you find a picture you would prefer to use, just let me know the game and picture number.

You can either fill out this form and mail to me with a check (address below) or fill out the online form [here](#)

Player Name: (name you want printed on poster) _____

Jersey #: _____

Picture# _____ (From which album if not the Spirit Posters albums) _____
